Ce Edge John Ferguson where is the waterfall
at 16:06:08 on 11/13/2021 UTC

John Ferguson Ce Edge Coming from Clinton you have to go past the park entrance, go over the bridge and take the next left. It's called Horseshoe Falls. You might be able to Google it- or just ask the park ranger. It's worth a visit.

Wayne Ball After finding my birth family, I discovered I'm sort related to the Broxton's where

the Battle of Broxton's Bridge was fought. This has made me look at all of those battlefields (of all kinds) differently.
