Governor Haley

My name is Sgt. James Nabb U.S.A. (ret).

I served the state of South Carolina as a guardsmen for several years before I was medically retired due to injuries I suffered from 3 deployments to Iraq; the reason for my email is because I am in the process of moving from South Carolina to India where my wife is a native of; I am requesting a state flag that has been flown over the capital. I would like to have something to show my loyalty and allegiance to the state, and the governor of South Carolina when I once was a guardsmen.
