Take a look at the attachments. John's cell number is below...I told him you were gonna help out with this and he said it was fine to share his cell number.

I don't think there's much precedent for doing a proclamation/resolution for an individual, but I just talked to Ted about doing a Certificate of Appreciation. He said to check with Haley about that, but it should be doable. Hopefully, we could just run it off today and put it in one of those blue folders.

I'll catch up with you after this meeting. Thanks.

In preparation for the Governor's visit and tour of Veterans Victory House on Monday, April 28, we would like to suggest that, in addition to meeting some of the veterans and a tour of the facility, that the Governor present a document of the state's appreciation to the artist, Brian Cripps, for his work at the facility. Some background information on Brian Cripps as well as some sample wording that can be used for a proclamation or resolution are attached.
