Subject: Rain

Ms. Sheila and I are becoming nervous because of the amount of rain we've been getting lately. We will begin building a boat in the hallway of the office next week. Anyone who would like to reserve a space will need to help build.

Couple things to clear up:

Do we need to let the BCB know?

Do we need any permits or permission?

Do we need a budget proviso?

Will the legal office let us?

Can we schedule/reschedule the necessary time?

Can we make a decision on a set of plans?

Let me know if you can think of anything else we might need to check on.

Look forward to seeing you all next week and don't forget your hammers.

Jeff
