We have a reservation at Saddlers Creek for 10/16 and 10/17 but want to add the 18th. Can't do on line since it's one night even though we already have 2 booked. Reservation is Schwartz site 58. What number do we need to call to do that? Thanks so much - can't wait to get back there!

Quick question - people are going insane on Facebook saying that you all are requiring folks to wear their mask while sitting in their campsite. Is this true? Are you all enforcing folks wearing their masks in the State Parks? Enforcing rules if folks insist on walking thru your site? I don't want to cancel reservations I have but I do intend to keep myself and you all safe by wearing a mask. Thanks and keep yourself safe out there

You do not have to wear a mask in or on any facility that you have rented such as a cabin, campsite, shelter or group facility. The individual renting the site shall make the decisions for social distancing and mask wearing for the users of the facility.
