Clark, Haley, and Hal,  
Let's meet tomorrow morning to discuss the format and content of the captives entire brief – *the pros and cons*.  
So we are all on the same page about the process, content, and format.  
Can everyone meet at 9:00am?  
Thanks,  
Veldran

I don't know who to send these to, but attached are the talking points for the captive insurance bill signing. I didn't mention anything about Wes Hayes or Sandifer because they haven't confirmed whether they'll be there. I will update these if either one shows up. They're basically the TPs from the agency with some modifications.

Thanks,  
Clark
