Subject: PIP Announcement / Press Conference

Talking points attached for the PIP event in Aiken tomorrow. I have also included the press release that the City of Aiken distributed to local outlets earlier this week. Gerry Dickinson and I will be on-site tomorrow.

To elaborate on the notes I made in the LG's remarks, the press conference will not be a ground breaking or a ribbon cutting (they have not yet solicited bids for the project), but rather a brief, informal press conference to announce the PIP grant funding. It is my understanding that the Mayor is still planning to have lunch with the LG following the event.

Please let me know if you need anything else.
