Dear Osprey Village:

The South Carolina Department of Disabilities and Special Needs (DDSN) is glad to welcome you to its statewide network of providers qualified to serve our consumers. DDSN is committed to providing the very best services for eligible individuals, including offering them choices of providers.

Enclosed you will find a form we ask you to complete in order to expedite the addition of your service organization as a DDSN Qualified Provider. This will allow us to get you connected in our provider network and to notify DDSN service users of your availability. Once we receive your demographic information (form enclosed), staff from the Information Technology Department will contact you to set up security access to our network.

Should you have any questions about supporting DDSN service users, please contact me at (803) 898-9620. While I am your primary DDSN contact, also enclosed is a list of other DDSN staff who can assist you.

In the near future you will be contacted by DDSN staff to participate in an orientation to the DDSN system. This orientation is intended to facilitate your successful support of DDSN service consumers. In the interim period, you might find it useful to review information about DDSN which is posted on our website at <http://www.ddsn.sc.gov>.

We look forward to working with you in partnership to serve citizens with severe lifelong disabilities in South Carolina. Again, welcome aboard.

Sincerely,

A handwritten signature in cursive script that reads "JB Priest".
