Hello, not a question per se. I visited RedCliffe plantation recently and just published a blog on it. Feel free to share it (or not). I appreciated the tour and information I learned very much. Thank you for what you do in preserving our beautiful parks as well as history. Here's my blog.

RedCliffe is one of South Carolina's 47 state parks. Though you can walk the beautiful grounds, there is not a trail per se. If you visit, it would be to learn its fascinating history.
