FEATURED STORY FOR AUGUST 24, 2018

California's Unprecedented Plan to Tackle Fake Election News

The state is making an ambitious effort, along with tech companies, to monitor and remove false information on social media that could keep people from voting.

After Teacher Strikes, Voters Will Get a Say on Education Funding

Support for raising teacher pay is near historic highs, but is it enough for voters - some in red states -- to approve tax increases?

***Behind the Lens:* The Oldest Free Music Festival in America**

Coachella, Bonnaroo and Lollapalooza may be better known, but this festival has been going strong since 1924.

The Equipt to Innovate Class of 2018

The results of the second annual Equipt to Innovate survey show that a critical mass of American cities are pursuing ambitious public goods for themselves, but not by themselves.

NEWS IN NUMBERS

More than \$8 million

Cost of Florida's "red tide" to businesses. The toxic algae blooms, which have prompted a state of emergency declaration, have caused tourists to cancel reservations and steer clear of the state's beaches.
