Dear Mr. Kester and Ms. Rivers,

The ACL Office of Grants Management (OGM) and the Office of Nutrition and Health Promotion Programs are processing the year 3 continuation awards for the “Empowering Older Adults and Adults with Disabilities through Chronic Disease Self-Management Education (CDSME) Programs.” Once again, we received reduced funding for these grants and consequently are unable to fund your grant at the level you originally requested for year 3.

Please submit a revised line item budget for year 3 that does not exceed **\$304,000**. OGM’s responsibility is to issue an award that matches your budget with the amount of funds available. Therefore please **respond by April 25, 2014** or sooner if possible. In addition, if you believe that this budget reduction will change your completer target or other aspects of your scope of work, please also submit a revised work plan for year 3.

Please send your revised budget to the attention of your Grants Management Specialist, Sean Lewis (Sean.Lewis@acl.gov) and copy me (Michele.Boutaugh@acl.gov). If you have a revised work plan, please send that to my attention.

Sean Lewis and I would be happy to answer any questions you might have.

Best regards,
Michele
