I saw that face masks are now required. I was wondering if that includes on hiking trails and at the beach?

You do not have to wear a face mask or covering under our rules on the beach. Some beaches are subject to local ordinances though, which you should check before visiting.

You do not have to wear a mask or face covering on trails. We ask that you use trail etiquette and stay at least 6 feet away from trail users who are not in your party. Many users choose to have a mask available to put on when passing others in narrow areas.
