DEAR, GOVERNOR HALEY,

I would like to know, how to clear my name for a driving offence, that I got in 1992, my name is JEFFERY N. SWEAT, I have never got in trouble as far as a criminal charge. Just a lot of driving under suspension going to & from work. I'm asking forgiveness for my mistakes. I can't vote or own a firearm. I would like to own a firearm legally. It's not on my criminal record, just my driving license. You are the only one that can help me. Please mam.

Thank you
Jeffery N. Sweat

P.S.

if you can't help me, I hope you can. But if not, please lead me in right direction.

Thanks
