Hey Jeff,

I've attached the invitee list for Friday's event. The invitation also went the State Workforce Investment Board members, Santee-Lynches Workforce Investment Board and Council of Governments Board. We did not require an RSVP. I suspect it will be a fairly good turn-out though.

Christian told me 1-hour so we're looking at the following beginning at 1 p.m.:

Company remarks and welcome-Samuel Chastain (pronounced "Sam Well"). Do you want him to introduce her??
Governor's remarks
Superintendent's remarks
Gossett's remarks
Q&A
Photo-op and certification presented to county leadership team
Tour of facility and meeting employees
Reception

What else do you need from me? Let me know.

Thanks.
