Chester State Park Campground Upgrade: Chester State Park received a \$50,000 grant from the Lutz Foundation for the upgrade our our 25 site campground. The work began on Dec. 1 and is expected to continue until Spring 2017 -- when the campground will reopen. The upgrade will include 50amp service, freezeless water hydrants, fire rings, lantern holders picnic tables and picnic pads on all 25 sites. We are also remodeling the interior of the comfort station. For more info, please contact the park office at 803-385-2680 or chestersp@scprt.com.

Jeremy Miller They were supposed to be done to open March 1st but had setbacks. We had a reservation for mid-March but they contacted us in advance notice that they would still be

closed and we moved the reservation to May. Looking forward to the upgrades!
