I think she would make time. She is quick. But, she could have Melina Mann, General Counsel attend. She would be great and knows the agency. Melina also works with all the IT/Deloitte changes. She was very involved.

Richele,

What I would really like is for you to remain since you understand what we are trying to do. However, I know that is probably not possible. Let me talk to the team. I don't know Emily, but I am sure that she is very smart. Do you think that she would have the time given that she is learning her agency?

Marcia,

Hope you are doing well! I haven't seen you in a while but you have been in my thoughts and prayers.

I have moved over to the Governor's office as legal counsel. I wanted to ask who you would like to take my place on IT Shared Services – I am assuming I should pass to my replacement, Emily Farr. However, I didn't know if you wanted her to assume that role or you wanted to meet her first as I know you have directed the various teams.

Thank you,

Richele
