Dear Michelle:

Thank you for writing. Perspectives like yours are important to me—they give me a window into the real-life concerns of the American people, and they inform the decisions I make as President.

Please know I work hard every day to do right by people like you. As a Nation, we still have a lot of work ahead of us, but I will continue doing everything I can to keep us moving in the right direction.

Thank you, again, for sharing your thoughts with me. To stay engaged with my Administration, I encourage you to explore www.WhiteHouse.gov.

Sincerely,
