Gabe,

Thanks for your note. I discussed the Task Force with Governor Haley this morning. She has no recommendation at this point, but if she comes up with a name prior to your deadline, I'll let you know. Thanks.

Greetings Christian,

On behalf of the White House Office of Intergovernmental Affairs, I'm writing to send the attached invitation for Gov. Haley to consider joining or offering a recommendation of a Governor to participate on the newly-established State, Local, and Tribal Leaders Task Force on Climate Preparedness. Also attached is a copy of the President's Climate Action Plan for your reference.

As referenced in the attached letter, please note that our deadline for expressing interest or providing a nomination is Friday, July 26, 2013. Don't hesitate to contact me if you have any questions.

Best,
Gabe
