SURPLUS RIGHT OF WAY PROPERTY - LAND

1. File 40.306A - SC Route 77 - Richland County

During acquisition of right of way for construction of SC Route 12 in Richland County, the Department acquired right of way by Condemnation Notice from Myrtle E Bowen dated April 3, 1942, and by Act No. 951 of the Governor of the State of South Carolina dated May 9, 1938.

At the request of an adjoining owner, an investigation was made and it was determined by our Engineering Sections that the Department could relinquish a portion of the right of way located on the northern side of SC Route 77 (Imboden Street) and at the intersection of Old Forest Drive and Percival Road. Therefore, a quitclaim deed conveying approximately 0.38 of an acre of land to Baker and Baker, a South Carolina General Partnership was executed on May 31, 1995, for consideration of \$12,772.00.

2. File 32.966 - U. S. Route 378 - Lexington County

During acquisition of right of way for construction of Route 6, Route 43 and U. S. Route 378 in Lexington County, the Department acquired right of way from Frank Corley by Condemnation Notice dated February 13, 1928, under Project 663-A and Deed to Right of Way dated May 10, 1941, under File 32.225; E. During negotiations by our Legal Section for right of way for construction of improvements along Routes 6 and 378, an agreement was reached whereby the Department would relinquish a parcel of land to the adjacent owner in exchange of property needed from the adjacent owner upon completion of the project. At the request of an adjoining property owner, an investigation was made and it was determined that the Department could relinquish a portion of the abandoned right of way for Old SC Route 28. Therefore, a gratis quitclaim deed conveying approximately 2.42 acres of land to Frances Kendrick Case and Warren E. Kendrick was executed on June 3, 1996.
