Subject: The Most Important Movie to See Before the Election!

FOUR DAYS!

Four Days until the fate of the United States is decided by the 2016 Election on November 8th. It is often overstated that every election year is the most important election year; however, 2016 is the most important of the modern era!

The public needs to know who Hillary Clinton is; in *Hillary's America: The Secret History of the Democratic Party*, they will know her true face. Director, author, and political commentator Dinesh D'Souza exposes and examines Hillary Clinton's sordid past and the corrupt nature of the Democratic Party.

Help spread the truth by hosting a movie night to show the film to your club, organization or friends. For a limited time we are offering a GROUP LICENSE for only \$299, and we'll include 25 FREE Hillary's America DVDs (\$287 value) along with other bulk DVD packages. Please email or call the number below if you are interested.

Buy the DVD here: <http://hillarysamericathemovie.com/#dvd>.

Thank you for your support.
