SC Respite Summit

Good morning Tony. I'm up early to start fixing my mom's breakfast, etc. . It was great seeing you yesterday and really enjoyed getting the opportunity to be chosen as one of the family caregiver speakers. I enjoyed the entire day. You did a great job with your talk and telling us about improving services to our seniors and options for services to allow them to remain at home. My husband and I are caring for my dear mother at our home.

If you or someone you know does facebook Please like a picture of me and mom. Go to shemagazinefacebook - Florence SC and scroll down to like us holding a poster in front of a red car. They are having a contest and to win we have to get LIKES.

Enjoy your weekend!
