---

**We hope you've been good this year because as you'll see below Jingles, the Elf on the Shelf, is always watching.**

**Here are the top 7 moments that Push Digital staff didn't know Jingles was watching them...**

**1. When we took tequila shots at 3pm...on a workday...**

**2. When Joel sang karaoke at Beach Week...and it was a little off-key.**

**3. When Lindsey was late...AGAIN!**

**4. When Wesley called the Columbia Airport S\*!T**

5. When the team *bragged* about taking back the Senate

6. Tequila on a workday...again!

7. But Jingles decided to give the team a break and told Santa to put them on

**the Nice List. Work hard play hard, right?**
