**Subject:** Funding Opportunity Extension for ADSSP grants

---

Letters of Intent for the Alzheimer's Disease Supportive Services Program are now due June 3. Please note that this opportunity is not for any states that have or have had a DS grant.

Funding Opportunity Extension: Letters of intent from states applying for the Alzheimer's Disease Supportive Services Program are now due June 3rd

The Administration on Aging, part of ACL, has extended the due date for letters of intent to apply for the "Creating and Sustaining Dementia-Capable Service Systems for People with Dementia and their Family Caregivers" (HHS-2015-ACL-AOA-DS-0105) to Wednesday, June 3, 2015.

The Alzheimer's Disease Supportive Services Program (ADSSP) is designed to assist states in development of systems that ensure that people with dementia and their caregivers have access to sustainable home and community-based services that are dementia-capable.

Eligible applicants are State Units on Aging that have not already received ADSSP grants to build dementia-capability within their state HCBS systems. The Funding Opportunity Announcement can be found [here](#).

Questions about this funding opportunity and letters of intent should be emailed to Erin Long at [Erin.Long@acl.hhs.gov](mailto:Erin.Long@acl.hhs.gov).
