Local Registrar

When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

When a child is born, the mother or father, or some other person, should fill out this certificate and give it to the local registrar. If the child is born at a hospital or other institution, the attending physician or midwife should fill out this certificate and give it to the local registrar. If the child is born at home, the father, householder, or some other person should fill out this certificate and give it to the local registrar. If the child is born at a hospital or other institution, the attending physician or midwife should fill out this certificate and give it to the local registrar. If the child is born at home, the father, householder, or some other person should fill out this certificate and give it to the local registrar.
