---

We are contracting with HHS to assist with enrollment of difficult Medicaid enrollees. They are behind and have asked our help. We would have 1.5 FTE's in the office and others in the COG's. If I can increase the budget that would be great. This is anticipated for next year. The contract will be signed in July for next year.

Classified \$60,000  
Operating \$20,000  
Fringe \$20,000  
Aid to Subdivision \$900,000  
Total \$1,000,000

I am traveling the rest of the week but can be reached at 528-3214

Thanks for your help.

Tony

Tony, Please send me a general description of the contract and the duties of the FTE. Do you have sufficient other funds authorization for the contract or do you need an increase? It shouldn't be a problem to add an FTE during full Committee. Thanks - Angie

Angie,

Is it too late to request a new Other FTE for next year? HHS is talking to us about a contract next year that would require an FTE. What is the best way to handle this?

Thanks.
