Thanks, Swati.

We will draft the legislation that pertains to the Department of Insurance, share it with you and Katherine then contact the Chairmen in the House and Senate to start moving the legislation forward.

Holly and Ray,

Please find attached an updated summary of statutory reforms that Gov. Haley would like to have introduced this session. These are the same reforms we talked about last Tuesday with Sen. Davis and Rep. Bedingfield which includes notes about legislative sponsors. Our office would like for you and your agencies to take the lead and follow through on moving this legislation forward this session. If you would like Katherine and I to schedule meetings with legislators or assist in any other way, let us know. We are happy to assist and we really appreciate your taking the lead on completing the work of the Governor's Regulatory Review Task Force.

Let me know if you have any questions.

Thanks,  
Swati
