Kelly,

I'm doing a story on the fourth anniversary of the DOR data breach. Since that time, there have been a number of cyber security changes for agencies. Since that is being coordinated now at the Department of Administration, I wanted to ask for a listing of what all has been done since then by way of cyber security improvements and if any improvements are still being phased in or planned? My deadline is Thursday morning.

Thanks!

Tim-

Good afternoon. I received your phone message. Would you please email me your request and the questions you need answered?

Thanks-

Kelly
