my son ,who grew up in south Carolina, is now an employee of UGA and lives in an apartment in Athens ga and owns and pays taxes on his car to ga. although we own our residence and property in sc, our son does not own real estate property in either sc nor ga..our son had a sc cwp before he left for Athens....he now has a ga cwp....our son's conundrum is that he travels frequently to Charleston from Athens...our understanding is that since he does not own real estate in any state that has a reciprocal cwp with sc he can not get another state cwp which will be honored by sc....is this true?.....is there anything he can do to get a cwp that is honored in sc?.....we have lived in sc for 40 yeara....we need your staff's help on this
sincerely, forrest a smith
