2011 Legislative Report Card

for the South Carolina General Assembly

<u>LEGISLATION</u>	<u>SENATE</u>	<u>HOUSE</u>
On the Record Voting <u>H.3004</u> : Requires legislators' votes to be recorded, which finally allows taxpayers to make informed decisions when voting for their elected officials.	✓	✓
HHS Medicaid Flexibility Proviso <u>S.434</u> : Allows the Dept. of Health and Human Services the flexibility to negotiate Medicaid costs with health care providers, which allows our state to drive down costs and to save taxpayer dollars.	✓	✓
Tort Reform <u>H.3375</u> : Lowers the caps for punitive damages, which reduces the risk for companies doing business in our state, makes us competitive with neighboring states, and is essential to economic development and job creation.	✓	✓
Budget Vetoes Sustained <u>H.3700, H.3701</u> : Supports at least 51% of the Governor's vetoes of the Capital Reserve Bill and 34 line-items of the budget to save taxpayers up to \$211 million in unnecessary spending.	X	X
Vetoes on Unconstitutional Local Legislation Sustained <u>S.724, S.913 / H.3321</u> : Ends the tradition of passing local bills that are in clear violation of the Home Rule provision in the Constitution, which was enacted to protect local authority from state control.	50%	100%
Department of Administration <u>H.3066</u> : Consolidates state administrative functions into a central agency and abolishes the Budget and Control Board, which will improve accountability and save taxpayer dollars.	INCOMPLETE	✓
Appointing the Superintendent of Education <u>H.3070</u> : Places the question on the ballot to let the voters decide if the Superintendent of Education should be appointed by the Governor.		✓
Merging PPP into the Dept. of Corrections <u>H.3267</u> : Merges the Dept. of Probation, Pardon, and Parole into the Dept. of Corrections, which will allow an integrated approach to rehabilitating inmates and reducing repeat offenses.		✓
