Vice Chairman Simpson made a motion to approve the minutes of the July 24, 2006, regular county council meeting. Councilman O'Quinn seconded the motion. The motion carried 7-0-0 with amendments to the Director's Report.

**PUBLIC COMMENT:**

Mr. Jim Irwin of 625 Highway 20, Abbeville spoke in opposition to Resolution (06-52) stating that this was a family cemetery and not the Counties responsibility.

Mr. Jim Irwin of 625 Highway 20, Abbeville requested that with the opening of the Abbeville Area Medical Center the old hospital on S.C. 72 be sold, so as not to be a drain on the taxpayers.

Mr. David King of 395 McGill Circle, Abbeville stated that in 1997 he attended a board meeting in Calhoun Falls on EMS services. A mutual aid agreement was established with Anderson County. Now the agreement was dead and it is Councils job to get it back in place. Chairman Gunnells requested Steve McDade speak on this issue. Mr. McDade stated that the agreement was signed by the Chief of the Rescue Unit in 1997 and with the agreement being voided; they were looking into the possibility of placing a QRV unit in the area.

Ms. Sarah Snell of 508 Suttles Landing Road, Abbeville says when she experienced a heart attack it took the ambulance 50 minutes to respond and that the driver did not know how to get to Anderson Hospital from her location. Does it take the death of a neighbor before an agreement is made? We need a solution; this is a life and death situation.

Ms. Sylvia Creech of 424 Suttles Landing Road, Abbeville states that a 30 minute response time is excessive. Most residents in the Lake Secession area use cell phones and do not receive a good signal. Proper training of personnel to know the directions to the closest hospital in the area is imperative.

Mr. Ricky Canfield of 3104 Highway 20, Abbeville requested assistance from Council on an unnamed county road being closed off by the land owner and denying him access to his property. Chairman Gunnells asked Mr. Buddy Agan if this road was on the 2000 road ordinance and it was not. Council requested that this issue be discussed in executive session.
