Subject: Interview request

Thanks for being very accommodating in our phone conversation.

We would like to do a sit down interview with Governor Haley and get her thoughts regarding what happened last year at Mother Emanuel Church, since we're coming up on the one year anniversary.

Sooner is better than eyeing a tight deadline.

I can be reached at scrump@wbtv.com or my phone number is 980-422-1466.

The interview will air during a prime time special on WBTV and shared with the Raycom stations.

Many thanks for your help in advance.

Sincerely

Steve Crump
