**Subject:** Reduce your website costs by 30%!

---

Hi Tony,

We're so excited to add website management to our portfolio of government software offerings, that we're making a guarantee to bring you the best cost savings possible. **Sign with us by March 31, and we'll work to reduce your annual fees by 30%.**

Granicus provides the industry's leading cloud-based solutions for government efficiency and transparency. **More than 1,200 organizations and 63,000 government staff members use our software to streamline workflows and establish meaningful connections with citizens** — online, over social networks and on mobile devices.

What matters most to us is helping thousands of government staff and elected officials cost-effectively use technology to save time in their day-to-day workflows and save taxpayer dollars by reducing paper, resulting in better-served communities.

**HERE'S HOW WE DO IT:**

**AGENDA MANAGEMENT - AUTOMATE THE LEGISLATIVE WORKFLOW**

Our Agenda Management solutions allow government organizations to easily manage manage agenda items, route approvals, compile packets and distribute instantly. — reducing paper and printing costs by 75-100 percent and saving thousands of dollars. **LEARN MORE**

**MEETING EFFICIENCY - OPTIMIZE MEETING TIME & SIMPLIFY MINUTES WORKFLOW**

Review paperless agenda packets, view meeting videos and review community feedback. Enable the use of touchscreens or tablet devices to capture votes and speaker requests in real time during a meeting to achieve the highest levels of efficiency and accuracy. **LEARN MORE**

**WEBCASTING - PROMOTE ACCOUNTABILITY AND PUBLIC TRUST**

Our webcasting solutions enable your organization to build a content-rich library of public meeting webcasts and records without hassle. Schedule and publish live and on-demand webcasts, both from a stationary location or with our Portable Encoder. **LEARN MORE**

**CITIZEN ENGAGEMENT - COLLECT ACTIONABLE PUBLIC FEEDBACK AND IDEAS ONLINE**

Granicus' Citizen Engagement tools help government agencies take civic outreach strategies to the next level. Meaningfully connect with residents from a secure "hub" on your website and use a powerful range of tools to gather and track constructive feedback. **LEARN MORE**

**BOARDS AND COMMISSIONS - SIMPLIFY APPLICATIONS AND APPOINTMENTS ONLINE**

Easily manage government body appointments, vacancies and applications with a comprehensive set of efficiency creating tools, which include demographics reporting, appointment dashboards and automated workflows from start to finish. **LEARN MORE**

## RECORDS MANAGEMENT - ADDRESS THE FULL LIFECYCLE OF THE RECORDING PROCESS

This streamlined, centralized application addresses the full lifecycle of the land and vitals recording process. This solution includes eCommerce transactions and allows for seamless integration with other software solutions for imaging and document storage.
