Hi Brian,

This is Michael Clark at the CBS affiliate in Charlotte. We spoke earlier this afternoon. Wanted to see if you can push this through to the appropriate person:

*Any response from Governor Haley on why the Confederate flag still flies above the other flags that are at half-staff at the State House?

*Are there any discussions about removing or changing the Confederate flag after the Charleston shooting, as investigators look to see if it rises to the level of a hate crime?

Thanks for any help you can provide. If there is any opportunity to get an on camera interview, please advise.
