Dear Dr. Amiridis,

Michael and I want to take a moment and thank you for your twenty years of exemplary service to the University of South Carolina and the Palmetto State. Well-known for your commitment to upholding the highest standards of academic excellence and promoting the role of public universities in driving economic growth, you have been an incredibly effective leader, mentor, and advocate for the university. Your ability to build relationships between students and faculty and forge partnerships with government as well as the private sector has been instrumental in guiding the university to where it is today and helping pave the way for continued success in the years ahead.

On behalf of the people of South Carolina, thank you for making our state a better place to live, learn, and work. We wish you all the best going forward. God bless.

My very best,

Nikki R. Haley
