Katherine,

Attached are the logos for the Heritage signs. We are awaiting logos from Google and Nucor Steel. I don't have a contact at JetBlue and couldn't decipher from their website which logo is correct. I'd be happy to contact them if you have an appropriate contact.

I've also attached the signs from last year with written revisions and updated the Excel spreadsheet with info for the new signs. We tried to incorporate as many of the participating companies as possible. The last two signs may be too fun/light-hearted, but I thought it'd be nice to make a nod to the coaches in the FGI.

Let me know if you have questions.

Thanks,

Alex
