---

This is a one-pager Josh pulled together a couple days ago. We'd create a new "Statewide Arts Services" program in the State Museum Commission. The grants themselves would move over dollar-for-dollar, while the personnel and operating lines would be reduced by 30% in the transfer, to recognize the administrative efficiencies that would be realized as they came together. We've been told the Arts folks could occupy the 4<sup>th</sup> floor in the State Museum.
