Subject: Fwd: Fitsnews.com first to report this shocking story !SC CHAMBER REJECTS MEMBERSHIP OF MEDIA EXECUTIVE --FIRST TIME IN HISTORY OF SC- "REFUSED REASON WHY"

<http://www.fitsnews.com/2016/08/26/lowcountry-businessman-rages-against-sc-chamber/>

Will, thank you for standing up and this is the reason you are by far the most read online media in SC.

Perhaps the biggest scandal and conspiracy to damage a reputable media owner in the history of SC.

Like the Boston Globe, who feared loss of readers and advertisers, the smart editor said we have to educate our readers on facts and controversial subjects and not fear the truth, no matter what. Hence, Spotlight movie! I am in no way comparing heinous crimes to SC crimes. The message of the movie to all news organizations was don't fear speaking up, and to the surprise of everyone Boston Globe grew subscriptions and increased advertising. Hence why [Fitsnews.com](http://www.fitsnews.com) is growing fast. And after this email many more readers.

Will, great job and many need to learn from you and the Boston Globe. I have great respect for you regardless if I agree with you on all, or you agree with me. It's all about having the guts to speak up and help clean up corruption, abuse and harm to others caused by crooks and bad people. I have much more to share with you, and

all the press in SC who have the guts to speak up. My corruption is from the top down, wide and deep and have the evidence.

That's right the corrupt SC Chamber is just the tip of the iceberg. I can share wide and deep the corruption starting from crooked Gov. Nikki Haley, lying Lottery Commissioner Paula Bethea, Crooked SC Chamber executive board, the entire bunch are crooked puppets. We have identified a number of SC CVBs and Chambers who are simply run by thieves and crooks, and many more nationwide. Myrtle Beach chamber, Charleston Cvb, Hilton head chamber and Beaufort chamber all run by crooks and many crooked buddy boards who allowed themselves to be used and abused like puppets.

We have facts on a Lying SC mayor, lying town council members. Sc procurement violations state wide, massive foia violations, defamation violations, 1st amendment violations, Barratry, SLAPP, conspiracies to harm others, and more.

Identified nationwide violations to IRS UBIT not enforced 501-c6 Archaic tax laws drafted in the 1950s.

Tom Donahue president of US chamber salary 4.7 m per year, jet and limo, whom I call the biggest crook and non-profit bandit in America. Our crooks in Sc would do the same if they thought they could get away with it!

Crook and thief Bill Miles, executive director of the Hilton Head chamber CVB DMO salaried at 400k, 1.7 million home on Hilton Head, house in NC mountains, world travel and whatever tax monies he can steal, all allowed by our lying crooked Town council members and powerless Mayor, all scared to speak up and act. It's all because we live in nation of small spotlight communities where people fear to speak up in fear of loss of jobs, friends, children at school etc. I decided to not be a spotlight character and follow the highly respected editor of the Boston Globe. Hilton head is as crooked as it gets and we have the facts.

Will, my story, which I am trying to clean up, as I am the worst writer and speller in the world, is coming to you and everyone. It is shocking and it's all true. I am willing to lose it all and at 68 I have nothing to lose or hide and hope my story helps to clean up one of the most corrupted states in the USA, full of liars, crooks and thieves of public monies that I never imagined possible. How naive I was!

This is why at the advice of friends, before I started to attack from the top down in SC, I must become a Florida resident where I would be safe, and fight from Florida until it all ends. Make the corrupted lawyers representing crooks and liars like Crook Gregg Alford the Hilton head lawyer who has also seems overcharged tax payers for 14 yrs as town lawyer being paid 4 m and the cronies that run Hilton head are allowing this crook bandit lawyer to rob tax payers monies and escape sc procurement laws.

Will, I can assure you between your sex in a car seat story that sounded fun and my story on Gov Haley will shock and rock this state to its foundations. I actually don't think she deserves the title of Gov my to title for her is crooked political prostitute Haley. Same for our lottery commissioner Paula Bethea. I call her lying Paula!

I want you ,and hope few other brave reporters like you will be allowed to tell my story. I will send it in a few days .

Facts are facts, opinions are opinions and sometimes fact !
Thanks again for your courage to speak the truth.....

Subject: SC CHAMBER REJECTS MEMBERSHIP OF MEDIA EXECUTIVE --FIRST TIME IN HISTORY OF SC- "REFUSED REASON WHY"

How can it not be newsworthy that the South Carolina Chamber of Commerce has rejected my media membership application and also refuses to state a reason? This follows the Hilton Head Island Chamber, Myrtle Beach Chamber and Charleston CVB rejecting my membership applications, in addition to the Beaufort Chamber terminating my membership for unstated reasons.

Is this something you would be willing to cover? If so, please give me a call at [\(843\) 384-7260](tel:843-384-7260) for the entire story based on facts not opinions.

Thanks very much for you help and willingness to cover this shocking and sure to be a major headline story.
