"Where are the bobcats?" This is a common question zookeepers at Charles Towne Landing's Animal Forest often hear! Well, hopefully no more! The Animal Forest recently became home to two juvenile bobcats. Zookeepers were able to successfully introduce the pair to their resident bobcat and now all three can be seen in the habitat together! Come out and see if you can spot them all! [www.southcarolinaparks.com/ct/](http://www.southcarolinaparks.com/ct/)
