Please review attached draft letter, please specifically watch for proper pronouns and that I consistently changed the name in the letter. (I based on the Daniel Nguyen letter). Please also check with LG that he has known her since she was very young. Thank you.

Dear Ms. McNicoll,  
I am sorry it has taken so long to reply to your email. With all the holiday festivities and my exams, I am behind with my emails. For the letter of recommendation, I think it would be best for one generic letter as I am applying to several medical schools and do not wish to create extra work on your part over this holiday season. Attached is my resume. Please let me know if there are any problems or questions regarding this. I hope you have had a wonderful Christmas and wish you well into the new year. I sincerely appreciate you taking the time to do this.

Sincerely,  
Kristin Richey

Good Afternoon Ms. Richey,

The Lieutenant Governor has asked me to put together your recommendation letter. Could you please provide a copy of your resume, a list of the schools you would like letters for (or if you would just like one generic letter for all schools), and anything particular that you would like noted in the letter. Thank you.

Best Regards,

Hello Lieutenant Governor Bryant!

This is Kristin Richey. I am inquiring about a letter of recommendation as I go to apply for medical school. If possible, could you potentially write one for me? I would sincerely appreciate it, and I hope you and your family are well this Christmas season!

Thank you so much, and Merry Christmas!

Sincerely,  
Kristin Richey
