**By submitting this application:**

1. Law Enforcement Agency agrees to weigh and record the amount of drugs collected on an ongoing basis. CVS Health will reach out quarterly to collect this data on an ongoing basis.
2. Law Enforcement Agency agrees to accept receptacle and is responsible for any cost associated with installation.
3. Law Enforcement Agency is responsible for ongoing costs incurred to maintain the unit and to destroy the drugs collected.
4. Law Enforcement Agency acknowledges that CVS/pharmacy locations in the vicinity will support awareness of the receptacle by promoting the drug collection program.

In order to be considered, Law Enforcement Agency must attach a letter of support from an elected or appointed community leader outside of law enforcement (i.e. local governing board/council, public health board, Mayor or Town Administrator, etc.).

Please upload a PDF of the letter here.

**All liability arising from the installation of the receptacles or the collection and/or destruction of the drugs deposited in the receptacles will be the sole responsibility of the agency that accepts the receptacles (the "Agency"). CVS and the Partnership for a Drug Free America ("the Partnership") will not be liable for, and the Agency, to the extent permitted by Law, will indemnify, defend, and hold CVS and the Partnership harmless from and against any claim, injury, damage, loss, expense (including reasonable attorneys' fees), demand, or judgment in any way resulting from any acts or omissions by the Agency in the use of the receptacles or the collection and/or destruction of drugs deposited in the receptacles.**
