Subject: RE: Confederate flag "maintenance"

Quote from Haley press secretary Chaney Adams, "Governor Haley believes the flag should be removed from the Statehouse grounds - she was unequivocal about that Monday. Based on the 2000 law, she does not have the authority to remove the flag herself, today or any day, and rather than violate that law, she will continue to work to change it."

There's buzz that under law, the governor could pull down the Confederate flag today for "cleaning" or "maintenance" at about the same time Sen. Pinckney lies in state. I just wanted to check and see if she is considering that at all and if she has anything she wants to say about it.
