The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

I hope this letter finds you well and enjoying the early part of your summer. On behalf of the Hollings Cancer Center, I am honored to write to you to invite you and Mr. Haley to a dinner hosted by Edward and Tracy Shehab.

By way of background, the signature fundraising event for the Hollings Cancer Center is called Gourmet and Grapes. Our 8th Annual Gourmet & Grapes event this past February raised over \$425,000 for critical cancer research. The Shehabs won a dinner with Charleston Mayor John Tecklenburg and wife Sandy Tecklenburg in the live auction portion of the evening. The Shehabs have asked we extend the invitation to you as they would very much like for you to join them for this special dinner. The dinner will be held at the Shehab home on Kiawah Island on the evening of Saturday, July 9th.

If we can provide additional information or you have any questions, please don't hesitate to reach out to Debbie Bordeau, Director of Development at (843) 792-7694 or bordeau@musc.edu. We are truly appreciative for your involvement in our endeavors at Hollings Cancer Center and remain deeply grateful and humbled by your support.

Most sincerely,

Anthony J. Alberg, PhD, MPH
Interim Director
Hollings Cancer Center
Blatt Ness Endowed Chair in Oncology
Medical University of South Carolina
