Subject: Sen. Alexander-Constituent Question

One of Senator Alexander's constituents wrote him a letter and mentioned that Governor Haley said "more than 45,000 jobs in 45 of 46 counties with 20% of those jobs lifting up rural areas of our state". Which county is the one county left out? His constituent is convinced it is Oconee County and he would like to contact her and let her know which county the Governor was referring.

Thanks for your help!
