

Governor! Nick Haley ①

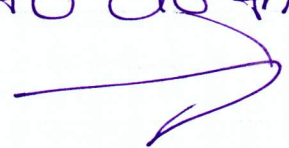

I am writing this letter hoping that you might help my 3 children and myself their mother I Beonda Faye Mize and my daughter Josie 14 yrs old, my daughter Mavis 9 yrs old and my son Ace who is 7 yrs old. Only lies and allegations has ripped my family apart. By DSS in Oconee County. Ashleigh Tinsley and Jessica Hamby case worker. They have lied about me and my husband David. DSS lied to the court schools, relatives. my children are in a foster home the Day school. Based only on lies and allegations of medical neglect and physical abuse. DSS is abusing their authority to make a paycheck for themselves. They are not doing their job. And DSS is getting paid to commit a crime towards me and my 3 precious children. Which is mental abuse.

DSS is mentally abusing me and my 3 children. please help. I can prove DSS is lying. I'm not perfect but I am a good mother and this is not right to punish

my Children in a way so DSS  
can get a pay cheet. I am  
a registered voter. What's my  
Rights my Children Rights. It's  
Like we don't matter. If you  
will please take some time to  
Review my Records you will  
know and see I am telling the  
truth and they are lying. I am  
a nobody and they have the  
authority to make sure I stay  
a nobody. But I am  
Somebody and my children  
are very special and we need  
help to stop the pain and the  
hurt of this actions being done  
under falsified information.  
My Children are suffering for ?  
I am suffering and being  
treated like scum of the  
earth. Because of lies and  
Allegations.

Please Help my precious  
Children Josie, Marie and  
Alicia. DSS is committing a  
crime against them. Mental Abuse.  
And DSS is getting away with  
this crime and not only that  
DSS is getting paid to do this.
