Sonia,

Rep. Gilliard also mentioned a press release and he also made reference that he provided information about our office reaching out to him. Can you also send this information?

Thank you,
Haley

Sonia,

Hope you are well. I contacted Rep. Gilliard after our office received his correspondence. He informed me about the individuals who have been meeting to address the issue of homelessness. I asked that he send me a meeting request with the individuals he would like to attend a meeting and the topics that he would like to address. I have not received a follow up at this time. If you have any questions please do not hesitate to give me a call on my cell at 803-240-1512.

Thank you,
Haley

Good afternoon Ms. Haltiwanger:

Representative Wendell G. Gilliard requested that I follow up on an emergency meeting request for declaring South Carolina in a state of emergency regarding homelessness. The letter was sent back in September of last year.

Thank you for all of your assistance.
