Mr. Symmes,

Hello! I'm Kaitlyn, a reporter with TheBlaze in New York.

I saw in The Hill [profiled](#) a couple of female lawmakers who responded to the Stanford swimmer case but left out any conservative or Republican female lawmakers. Would Gov. Haley have any opinion or comment on the case or campus sexual assault in general?

Please feel free to call my cell at 864-395-8099 or shoot me an email. Thanks in advance!

Kaitlyn
