**Subject:** Chamber being handed tax money

---

Everyone simple solution to clean up all and stop co mingling  
Simply tell Bill Miles and this Chamber no more money as Dmo until they totally separate the Cvb and Chamber with separate board and ex dir. Thanks

If not the town simply hires an ex dir to run a new cvb appoint a board of local media experts to begin to submit a marketing plan to the town. Let Bill Miles and this board keep going and see how long it all last including 400k pay packages . Thanks
