Senator Bright,

Per our conversation, thanks for your consideration and support of the attached amendment. Again, the amendment would strike H. 3184 in its entirety and insert H. 3722 which is the last past version of a comprehensive ethics bill by the full Senate Judiciary Committee (March 11, 2015) with two changes:

- (1) Removes all sections related to electioneering communication.
- (2) Revises the independent investigation process for legislators to ensure that findings of probable cause by the independent ethics panel (reconstituted State Ethics Commission) are made public.

Please let us know if you have any questions. Thanks!

Katherine
