Subject: EMD Alert: Flood Watches and Warnings

Due to the most recent rain, there are several rivers in some sort of flood stage. Low-lying areas, especially along the coast, are anticipated to be affected. The rivers being watched are:

- Savannah;
- Edisto;
- Congaree;
- Black River;
- Santee;
- Lynches;
- Little Pee Dee.

EMD is not expecting any requests for state assistance.

Note on Mullins shelter (Marion County) from last week's flooding – This shelter closed over the weekend. All

residents were transitioned to alternate housing with friends and family.
