

Dear Nikki Haley

Will you please help these  
dads out with this child support  
Program it isn't fair the way they  
are treated. They are men in Prison,  
and jail for the child support.  
men don't get treated right. They  
should have to have DNA Regardless  
They should have visitation, IF they  
have to pay child support.  
They should have rights to there  
kids. just like the mother.  
All mothers Aren't Perfect.  
you should pass the law that DNA  
should go back as far as thirty  
years. And if not there kid. Set  
them free. make the mother pay back.  
give men a chance. IF A MAN  
get's paid on thursday & pays  
his child support. on thursday  
And it's due on friday And it  
is consider a day late. even  
if it was paid on thursday so  
they make it behind by doing

that. it's NOT Fair  
IF Due on monday pay it the  
friday before. it's A Late  
payment.

Men Need rights.

NOT Fair

Help them
